SCHOLARSHIP

Hatton W. Sumners represented Texas in the United States Congress from 1913 until his voluntary retirement in 1947. Congressman Sumners was recognized as one of the preeminent constitutional scholars on Capitol Hill and served as chairman of the powerful House Committee on the Judiciary from 1931 until returning to Texas. Established by him in 1949, the Hatton W. Sumners Foundation is dedicated to the study and teachings of the science of self-government, to the development of leaders with a sense of community responsibility, and to the maintenance of the American constitutional principles and the quality of life afforded under those principles.

To foster the development of citizen scholars and citizen leaders, the Hatton W. Sumners Foundation and Texas Wesleyan University offer the Hatton W. Sumners Foundation Scholarship. Students at Texas Wesleyan or transferring to Texas Wesleyan may apply to become Sumners Scholars in January of their sophomore year. Preference is given to students who are majoring in political science, pre-law or history, and to those who plan to teach in the field of social studies. Students from other program areas who have high academic achievement, are involved in activities, and exhibit leadership and a strong sense of community responsibility will also be considered.
